

I would like to comment that AIR 1 is an awesome service that I don't want to see be taken away from my family. It's hard enough to find decent radio stations with decent music. If AIR 1 were to be displaced by an LPFM broadcaster, it would mean that we would no longer have access to the type of ministry and music that AIR 1 offers and I desperately don't want to see that happen. AIR 1's station is an uplifting station that benefits many, many families. It's also a ministry that helps many in need. Please, don't let this happen to this station!
